I have a Cisco IP Phone 7942 and the user manual. There is nothing in the user manual relating to activating or turning on the voicemail feature. No one else here knows how to do it although all of their phones have the voicemail feature active. The simpler the problem, the more convoluted and arcane the solution I guess.

## **Change name on Cisco IP Phone 7942 - Cisco Community**

We have seen a recent issue with what seems to have worked for several years. When we replace a terminated employee, or someone's job duties shift and they move desks we will change the display name on the phone to match the new user. Lately I have had a few users note that even though the name is c...
