The easiest parts of this will be the Research Table, and while you're at it, you might as well make an Arcane Crafting Table. Start by making three Tables, as below. Place one of them, and right-click it with the wand. It will become an Arcane Crafting Table, which you can mine and move like any other block.

Mods/Thaumcraft/Getting Started - Official Minecraft Wiki

Getting started with crafting The first thing you should craft are some wood planks, which can be accomplished without using a crafting table. Find some nearby trees and press the RZ button to mine wood from them with your bare hands. Gather at least 12 pieces of raw wood to get started.
